Renmark Rose Festival is held
annually on the third week in October

Renmark Rose Drive/Walk

PUBLIC ROSE GARDENS

Location and Names of Roses

Courtesy of the
'Renmark Paringa Council'
*with assistance from
David Ruston*

Few flowers can compete with the breathtaking beauty and exquisite perfume of the rose.

This publication has been prepared to help you find, identify and take pleasure in the beautiful roses that are on show in Renmark Paringa Council's public rose beds.

Renmark Paringa Council maintain over 3,500 rose bushes in various garden beds located throughout Renmark and Paringa. The annual expenditure by Council in maintaining, watering the rose beds and adjoining lawns are in excess of \$100,000 per year. The majority of beds are watered with recycled water.

Public rose beds are an important part of the Renmark Rose Festival and we encourage you to enjoy these during your inspections. We are extremely proud of our rose gardens. Some roses remain unidentified in this publication. Should you find an error or omission and can help identify the remaining roses, please do not hesitate to contact the Council office on (08) 8580 3000, so we can continue to improve the information in future editions of this publication.

Thank you

Renmark Paringa Council
